

## **Outskirts Press announces Endeavor in Time, the latest Science Fiction - Adventure book from Denver, CO author Chris Hambleton**

August 07, 2008. Denver, CO - Outskirts Press, Inc. has published Endeavor in Time by Chris Hambleton, which is the author's most recent book to date. The 5.5 x 8.5 paperback in the Science Fiction - Adventure category is available worldwide on book retailer websites such as Amazon and Barnes & Noble for a suggested retail price of \$13.95.

### **About the Book (Excerpts & Info)**

Five years after the Challenger disaster, NASA launched their newest space shuttle, Endeavor, in a dramatic return to space. But several moments after lift-off, Endeavor exploded over the ocean, taking the lives of all its crew members, and killing the United States' space program.

It's 2009, seventeen years after the Endeavor tragedy in 1992, and NASA has been made part of the Department of Defense. America's civilian space program has been permanently discontinued for over fifteen years.

Daniel Marks, the Chief Programmer at a research facility in New Mexico, is working on a cutting-edge electromagnetic device. While developing the controller software for the device, an accident occurs and he suddenly finds himself back in his old life in 1992.

With his unique knowledge of the future, what should he do with his new life? Should he use his knowledge simply for personal gain, or should he risk his freedom and future to stop a national disaster before it happens?

Deftly constructed at 366 pages, Endeavor in Time is being aggressively promoted to appropriate markets with a focus on the Science Fiction - Adventure category. With U.S. wholesale distribution through Ingram and Baker & Taylor, and pervasive online availability through Amazon, Barnes & Noble and elsewhere, Endeavor in Time meets consumer demand through both retail and library markets with a suggested retail price of \$13.95.

Additionally, Endeavor in Time can be ordered by retailers or wholesalers for the maximum trade discount price set by the author in quantities of ten or more from the Outskirts Press wholesale online bookstore at [www.outskirtspress.com/buybooks](http://www.outskirtspress.com/buybooks)
